# STAFF REPORT

To:City CouncilFrom:Silvia Luna, Finance DirectorPrepared by:Silvia Luna, Finance DirectorSubject:2023/24 General Fund Year-End Budget Report

#### **RECOMMENDATION:**

Receive and file the 2023/24 General Fund Year-End Budget Report, approve the amended budget carryovers from fiscal year 2023/24 to fiscal year 2024/25, and allocations to reserves.

#### **BACKGROUND INFORMATION:**

The City's overall budget is comprised of multiple funds, most of which are restricted for special purposes such as road improvements, housing programs, grants, or enterprise operations such as water, wastewater, or the airport. The year-end budget report focuses only on the General Fund, which supports a variety of city services, programs, and operational expenses.

The report is intended to provide a summary of revenues and expenses for the fiscal year (FY) 2023/24 (from 7/1/2023 through 6/30/2024) and highlight any relevant variances from the final budget, one-time anomalies, and deviations from prior fiscal years. It also provides an update on final carryovers from FY 2023/24 to 2024/25 and reserve balances for the period ended June 30, 2024.

The City is in the process of completing its annual audit and preparing comprehensive financial statements. The General Fund is also included in the annual financial statements; however, this report allows the city to evaluate how the General Fund performed independent of all other funding sources of the City.

#### FISCAL IMPACT:

Amended expenditure budget carryovers from FY 2023/24 to 2024/25 total \$1,261,304 and are funded with budgetary savings. Revenues not received in FY 2023/24 totaling \$960,611 are anticipated to be received in 2024/25 and also recommended as budget adjustments. A full detailed listing of carryovers is found in Exhibit B of the Budget Report and if approved would be incorporated into the current 2024/25 budget.

#### ALTERNATIVES:

City Council may choose to not approve or amend recommended carryovers and reserve allocations.

### 2023/24 GENERAL FUND YEAR-END BUDGET REPORT

December 3, 2024

The FY 2023/24 budget continued to be affected by the steep rise in the cost of utilities, higher inflation and vacancies through several departments. However, the City's overall financial performance continued to be strong. Exhibit A provides a summary of both revenues and expenses on one page.

#### REVENUES

Below is a summary of actual revenues with larger variances described below.

REVENUES:	2023/24 Final Budget	2023/24 Actuals	Variance
TAXES	\$ 12,982,996	\$ 14,005,930	\$ 1,022,934

TRANSFERS IN	2,255,543	2,219,556	(35,987)
TOTAL REVENUES	\$ 23,577,523	\$ 24,078,904	\$ 501,381

#### TAX REVENUES

**Property Taxes** – Current secured property taxes were over budget by \$73,320 and vehicle license fee taxes were over budget by \$101,044 for a total of \$174,364. The City has engaged a consultant to monitor, estimate, and assist with the collection of property tax revenues, which fluctuate based on property sales each year.

**Sales Taxes** collected were over budget by \$96,053 due to the sustained increase on fuel prices. The continued steady local in person shopping and dining as well as the City's stable farming activities contributed to the increase on collections.

**RPTTF** (Redevelopment Property Tax Trust Fund) Residual property taxes increased by \$159,714 due to a CA Court of Appeal for the Third Appellate District decision in the case of City of Chula Vista v. Sandoval, et al. As a result of this court decision, the current and ongoing RPTTF payments will increase to each agency in the Imperial County and in turn the County portion will be decreased, with no effect on property taxpayers. The current budget reflects this ongoing redistribution.

**Transient Occupancy Taxes** (TOT) from hotels was over budget by \$ 63,259 with many hotels operating at full capacity throughout the year.

**Utility User Taxes** (UUT) totaled \$ 2,774,995 which was \$ 374,995 over budget. The Utility User Taxed increased 4% compared to prior year remittances mainly due to the increase in electric and gas utility costs as well as the addition of modernized telecommunications services such as Zoom and Boomerang.

**Non-Tax Revenue Negative Variances** were a result of pending revenues not received during FY 2023/24 but anticipated to be received in FY 2024/25. A summary of these revenues is provided below.

Negative Revenue Variance Expla	ined		
Police OTS TRIP Grant	\$	90,125	Pending from State of CA - Office of Traffic Safety
Police OTS STEP Grant	S		Pending from State of CA - Office of Traffic Safety
State Grant - Officer Wellness	S		Pending from State of CA
Fire Dept Services County	\$	12,650	Pending from Imperial County - Fire Engine Reimbursement
Parks & Recreation Grants	\$	177,952	Lions Center State funding for pool rehabilitation
Library Grants	\$	611,050	State of CA- Building Forward Grant
Senior Center - Pedestrian & Bicycle Fund Transf.	\$	6,830	
TOTAL PENDING REVENUES	\$	960,611	-
Revenue Variance BEFORE pending items	\$	501,381	_
Revenue Variance AFTER pending items	\$	1,461,992	-

If these revenues would have been received as budgeted; revenues would have ended at \$1,461,992 over budget. The City is expecting to collect these deferred revenues in FY 2024/25, therefore, budget adjustments to these revenues is recommended in FY 2024/25 to avoid large budget to actual variances.

#### **EXPENSES**

#### **EXPENSE OVERAGES**

#### Records Administration- Cost Overages in Salaries, Benefits, and Health Insurance

The increase in costs is primarily due to personnel changes and a contract adjustment related to

the expanded duties of the Assistant to the City Manager position during FY 2023/24. These changes contributed to higher salary, benefit, and health insurance expenses.

**Police Department** –Increased Salaries and Benefits Costs. The Police Department experienced higher costs totaling \$463,605.23 for sworn officers and \$128,351 for non-sworn overtime, primarily due to staff turnover and limited staff availability.

**Code Enforcement-** New Division Under Police Department. The Code Enforcement division, established under the Police Department in February 2024, reflects initial unbudgeted expenses for setting up the department and successfully hiring a Code Enforcement Officer.

#### EXPENSE SAVINGS

Expense savings were generally derived from delayed expenses, multi-year projects, or the vacancy of positions. Most of these savings are recommended to be carried over to FY 2024/25 as indicated below and detailed in Exhibit B.

Savings After Carryovers	\$928,274
Carryovers to FY 2024/25	<u>(\$1,261,304)</u>
Expense Savings Before Carryovers	\$2,189,578

Larger departmental savings are discussed below.

**Personnel** – Savings of \$112,830 were largely due to professional services savings. These are as a needed basis services. No carryover savings are recommended for FY 2024/25.

**Information Technology** – Overall savings of \$108,723 were achieved due to unused hardware and software contingency funds, which will no longer be required for FY 2024/25.

**Non-Departmental** – This department had savings of \$451,436. A request to carryover a total of \$ 364,957 to FY 2024/25 for grant writing services, a potential ballot measure, and contingency for staffing is recommended.

**Planning & Building**– Vacancies continued through the fiscal year for the Planning Director and Assistant Planner positions generating savings of \$ 43,279. Vacancies at the department are being mitigated through the assistance of various consultants.

**Fire** – Savings of \$ 220,804 were largely derived from staggered staff turnover and vacancies. Savings on equipment caused by delayed orders and pending engine repairs also contributed to the large savings. A total of \$ 100,407 is being requested as a carryover to FY 2024/25 for the equipment that will be received during FY 2024/25.

**Engineering** – Savings of \$ 224,140 were largely derived from vacancies in Engineering department and professional services savings that are used to provide operational flexibility and expand the department's capacity.

**Parks –** Savings totaling \$88,248 were realized in salaries due to staggered staff turnover and vacancies and pending parks repairs. A total of \$23,062 is being requested as a carryover to FY 2024/25.

**Recreation and Lions Center –** Savings of \$186,676 were realized from reduced salaries and benefits due to staff turnover and vacancies. The largest savings were achieved through decreased utility costs (electricity, natural gas, chemicals) and overall supplies, as the Lions Center Pool was closed for repairs throughout FY 2023/24.

**Library** – Savings of \$ 612,372 are associated to Library Building improvements and equipment that will be acquired with the Library Building Forward State grant that was awarded on October of 2023. A total of \$ 611,050 is requested as a carryover to FY 2024/25.

#### CARRYOVERS

Carryovers from FY 2023/24 to FY 2024/25 were estimated in early June 2024. Invoices for each FY continue to be paid through August of each year. This is known as the accrual period. After all invoices are paid, Finance re-evaluates estimated carryovers to determine final carryovers based on actual expenses and current operational needs. A summary of final recommended carryovers is presented as Exhibit B and includes all City Funds with the largest amounts derived from ongoing multi-year capital projects.

#### RESERVES

Adequate reserves ensure the City is able to effectively respond to economic uncertainties and fluctuations without drastically reducing services from one year to the next. The chart below depicts reserve balances by category as of June 30, 2024. These reserve balances reflect the financial health of the City at fiscal year-end. The increase in reserves during FY 2023/24 reflects the prudent allocation of resources for carryovers, future known expenses, and the recognition of budget savings.

A **Capital Replacement Reserve** was established in FY 2021/22 with an allocation of \$500,000. Staff recommends adding \$100,000 to this reserve from unanticipated savings for future capital replacements. This reserve can be used for matching grant funds, to supplement restricted funds used for capital improvements, or to purchase large equipment.

The **Public Safety Personnel Reserve** was established in FY 2021/22 with an allocation of \$100,000. It is recommended to allocate \$100,000 of unanticipated savings for future expenses associated with grant funded positions whereby the City must retain public safety personnel for an additional term after grant funds are expensed.

Due to unanticipated savings during FY 2023/24, the City's 15% target reserve reached \$ 8,326,985 exceeding the target by \$ 4,706,125. Staff recommends an in-depth analysis of how this surplus should be managed to ensure the City set-asides funds for contingencies while maintaining continued operational flexibility.

# **City of Brawley**

City Council December 03, 2024 Agenda Item No 5b

# **STAFF REPORT**

То:	City Council
From:	Jimmy Duran, Interim City Manager/Chief of Police
Prepared by:	William Smerdon, City Attorney
Subject:	Notice of Assignment – Clean Water Ventures.

#### **RECOMMENDATION:**

Execute Notice of Assignment, provided that other parties accept proposed changes.

#### **BACKGROUND INFORMATION:**

The City has been in ongoing negotiations with Clean Water Ventures, Inc., for the purposes of supporting its proposed project to construct a plant that will convert waste water into hydrogen and potable water. As part of the agreement, the City has committed to paying the sum of \$6 million dollars towards the construction of the project PROVIDED that those funds are received by the City as a grant. Clean Water Ventures, Inc., has assured the City that such a grant is forthcoming. The City has already paid the sum of \$250,000.00 of the \$6 million leaving a balance of \$5,750,000.00.

In order to obtain financing, Clean Water Ventures, Inc., wants to assign its right to receive the payment of \$5,750,000.00 to Growth Lending LLC. To that end, Clean Water Ventures, Inc., has requested that the City execute a notice of assignment. This document would obligate the City to pay the \$5,750,000 in grant funds directly to Growth Lending LLC.

The Notice of Assignment presented by Clean Water Ventures, Inc., did not make it clear that the City's obligation to pay any money is entirely contingent upon receiving the promised grant funding. If and when that grant funding is received, the City is ready and willing to honor the assignment from Clean Water Ventures, Inc. to Growth Lending LLC

The document present by Clean Water Ventures, Inc. has been revised to reflect that the anticipated payment from the City is entirely contingent upon receiving the grant funding. This revised document has been presented to the other parties for comment. Provided that they are agreeable to the revisions, Staff recommends that the Council authorize the Mayor to sign the same on behalf of the City.

#### FISCAL IMPACT:

None other than the potential positive fiscal impacts that may be realized from the development of Clean Water Ventures, Inc.'s project.

# **STAFF REPORT**

То:	City Council
From:	Jimmy Duran, Interim City Manager/Chief of Police
Prepared by:	Jimmy Duran, Interim City Manager/Chief of Police
Subject:	Approval of Special Project Manager Position

#### **RECOMMENDATION:**

Review and approve the Special Projects Manager position

#### **BACKGROUND INFORMATION:**

The City of Brawley has long prioritized efficiency, transparency, and proactive communication in serving its residents. As the city grows and its operational needs become more complex, the demand for specialized expertise in grants management, communications, and records administration has increased. Establishing a Special Projects Manager position within the City Manager's Office will help the city meet these evolving priorities.

This position is designed to fill critical gaps in grant acquisition, external and internal communications, and assist with records management. The creation of this role aligns with our goals of improving public engagement, securing alternative revenue sources, and maintaining compliance with records retention laws.

Rationale for the Position:

#### 1. Grants Management:

Securing state, federal, and private grants is essential to support city operations and fund new projects. Currently, our grant-seeking efforts are limited by staff capacity and technical expertise. The Special Projects Manager will actively identify funding opportunities, write competitive proposals, and ensure compliance with grant requirements. This will enhance our ability to bring additional resources into the community and reduce reliance on general fund dollars.

#### 2. Strategic Communications:

A cohesive and consistent approach to public communications is critical for maintaining transparency and fostering public trust. This position will serve as a dedicated point of contact for citywide communications, including managing social media platforms, the city website, and public information campaigns. Additionally, this role will develop a strategic communications plan to better engage with residents and stakeholders.

3. Capacity for Special Projects:

As new initiatives arise, there is a need for dedicated support to conduct research committees, and lead projects. This role will provide the flexibility and expertise require a merging priorities effectively.

#### FISCAL IMPACT:

The fiscal impact of the Special Projects Manager position at Range 32, Step 2, for the period from December to June 2025 is \$73,903.30. The City Manager's Department is expected to have a savings of \$154,025.39 in Salaries and Benefits, which will be more than sufficient to cover the partial Salaries and Benefits for this position for FY24-25.

#### ALTERNATIVES:

The City Council may choose not to approve this position.

Subject:	Agreement with the Imperial County Narcotics Task Force (ICNTF)

#### **RECOMMENDATION:**

Review, approve and authorize the Chief of police to sign and execute the agreement with the Imperial County Narcotic Task Force

#### **BACKGROUND INFORMATION:**

The Imperial County Narcotics Task Force (ICNTF) is a regional team comprised of Officers and Agents from various Law Enforcement Agencies throughout the Imperial Valley. Recently, ICNTF updated its agreement with participating agencies and is requesting the Brawley Police Department enter into the new agreement. Over the past few years, the Brawley Police Department has provided an officer to ICNTF, but for various reasons, we have had to reassign the officers back to patrol. Currently, the Brawley Police Department does not have an officer assigned to ICNTF; however, if a funded position becomes available in the future, we would consider appointing an officer.

#### FISCAL IMPACT:

Currently, there will be no fiscal impact. If a funded position becomes available, it will be presented to Council for approval.

# IMPERIAL COUNTY NARCOTICS TASK FORCE

## AGENCY AGREEMENT

This Agreement is made this **INSERT DATE**, between the Imperial County Narcotic Task Force (hereinafter "ICNTF" or "Task Force"), and the Brawley Police Department (hereinafter "parent agency"). ICNTF is authorized to enter into this cooperative Agreement concerning the use and abuse of controlled substances under the provisions of the ICNTF Policy and Procedure Manual and with permission of the Governing Board and Executive Directors.

WHEREAS there is evidence that trafficking in narcotics and dangerous drugs exists in the Imperial County area and that such illegal activity has a substantial and detrimental effect on the health and general welfare of the people of the Imperial County, the parties hereto agree to the following:

- 1 The ICNTF will perform the activities and duties described below:
  - a. disrupt the illicit drug traffic in the Imperial County area by immobilizing targeted violators and trafficking organizations;
  - b. gather and report intelligence data relating to trafficking in narcotics and dangerous drugs; and
  - c. conduct undercover operations where appropriate and engage in other traditional methods of investigation so that the Task Force's activities will result in effective prosecution before the courts of the United States and the State of California.
- 2 To accomplish the objectives of the ICNTF, the parent agency agrees to detail one (1) experienced officer to the ICNTF for a period of not less than two years but no more than five. During this period of assignment, the parent agency officers will be under the direct supervision and control of the El Centro Police Department and Imperial County Sheriff's Office supervisory personnel assigned to the Task Force.
- 3 The parent agency officers assigned to the Task Force shall adhere to ICNTF policies and procedures. Failure to adhere to ICNTF policies and procedures shall be grounds for immediate dismissal from the Task Force. The parent agency agrees to immediately remove their assigned personnel upon request from the Executive Directors.

- 4 To accomplish the objectives of the ICNTF, the El Centro Police Depremer and operial County Sheriff's Department will assign one supervisor equivalent to be in the second or above and one supervisor equivalent to the rank of lieutenant or higher, respectively, to supervise the Task Force. The parent agency agrees to provide and maintain a vehicle for each of its assigned Task Force Officers. The El Centro Police Department and Imperial County Sheriff's Department will work with the High Intensity Drug Trafficking Area (hereinafter "HIDTA"). There are several fiduciaries that HIDTA uses to pay for OT, Equipment, Travel, etc. and it is understood that HIDTA works through fiduciary agencies to fund the program.
- 5 During the period of assignment to the ICNTF, the parent agency will remain responsible for establishing the salary and benefits, including overtime, of the officers assigned to the Task Force and making all payments due them. HIDTA will reimburse the parent agency for overtime payments, subject to the availability of funds, and in accordance with HIDTA program policy. Reimbursement for all types of qualified expenses shall be contingent upon the availability of funds and submission of a proper request for reimbursement, which shall be submitted monthly or quarterly on a fiscal year basis and which provides the names of investigators who incurred overtime for ICNTF during the invoiced period, the number of overtime hours incurred, the hourly regular and overtime rates in effect for each investigator, and the total cost for the invoiced period. The parent agency will bill overtime as it is performed and no later than 60 days after the end of each quarter in which the overtime is performed. *Note: Task Force Officer's overtime "shall not include any costs for benefits, such as retirement, FICA, and other expenses.*
- 6 In no event will the parent agency charge any indirect cost rate to ICNTF for the administration or implementation of this Agreement.
- 7 The parent agency shall maintain complete and accurate records and accounts of all obligations and expenditures of funds under this Agreement on a current basis in accordance with generally accepted accounting principles and instructions provided by ICNTF and HIDTA to facilitate on-site inspection and auditing of such records and accounts.
- 8 The parent agency shall permit and have readily available for examination and auditing by ICNTF and HIDTA and any of their duly authorized agents and representatives any and all records, documents, accounts, invoices, receipts, or expenditures relating to this Agreement. The parent agency shall maintain all such reports and records until all audits and examinations are completed and resolved or for a period of six (6) years after termination of this Agreement, whichever is later.
- 9 The parent agency shall comply with Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, and the Age Discrimination Act of 1975, as amended, and all requirements imposed by the State of California.

Subject:	Brawley Municipal Airport Hanger Rental Agreements - Aeronautical and Non- Aeronautical

#### **RECOMMENDATION:**

Review and Approve the updated Brawley Municipal Airport hanger rental agreements for aeronautical use and approve the new Non-Aeronautical use rental agreement.

#### **BACKGROUND INFORMATION:**

The City of Brawley has traditionally rented and will continue to rent the hangers for aeronautical use and is proposing to rent a section/row of hangers isolated on one wing to separate the aeronautical use from non-aeronautical use as recommended and approved by the Federal Aviation Administration. The City of Brawley Airport Commission has reviewed and approved the use of hangers for non-aeronautical use and completed rental fee study within local storage facilities for a comparable rental cost. The Airport Commission has additionally reviewed and approved both rental agreements including the legal service review process completed by City Attorney.

This agreement is be	tween the City of Brawl	ey ("City") and:		
				("Tenant")
Mailing Address:				
	Model):			
ID#:	Hangar#:		_ Monthly Rent:	
Date of Occupancy: _				

- 1. Specific Use:
  - 1.1. The rented hangar shall be used to store the aircraft identified above. In the event the Tenant stores a different aircraft in the specified hangar, the Tenant shall notify the Airport Manager in writing, providing the description and identification number of the aircraft within 30 days. Tenant shall also be responsible for providing the insurance endorsements required in section 3 below for any other aircraft stored in the hanger.
- 2. Tenancy, Rent and Revisions:
  - 2.1. The Tenant shall be entitled to take possession of the assigned hangar as of the date above. The occupancy date shall not be assigned until the prospective tenant has provided the required proof of insurance and this agreement is executed by the tenant and the City. The parties agree that this shall be a month-to-month tenancy and either party may terminate the tenancy by giving the other party a 30-day notice of intent to terminate the tenancy prescribed by Section 1946 of the California Civil Code.
  - 2.2. Rents as specified above, shall be payable in advance on the first day of each month.
  - 2.3. If any rent is in arrears to the City and is not received with 15 days after the first day of the month a late fee of fifteen dollars (\$15) will be added to the balance due and the total sum will become immediately due and payable to the City. An additional late fee of fifteen dollars (\$15) will be added for each additional month or portion thereof that said payment remains unpaid. The late fee shall be considered additional rent.

- 2.4. City reserves the right to increase the monthly rent at any time by giving Tenant notice in writing of such increase at least 30 days prior to the effective date of such increase.
- 2.5. Failure to pay rent as required shall be considered a material default of this agreement and the City shall have the right to bring an unlawful detainer action to terminate the tenancy.
- 2.6. The Tenant shall not sublet or assign the Hangar to any other person or entity; nor shall any portion of the Hangar be used to house an aircraft other than the aircraft identified above. Any sublease of assignment shall be considered a non-curable breach of this agreement and the City shall have the right to commence an unlawful detainer action to terminate the tenancy.
- 3. Insurance: The Tenant agrees to maintain in full force and effect during the term of this Agreement and any extension thereof, a policy of Aircraft Liability and Premises Liability Insurance with a minimum of one million (\$1,000,000) each occurrence for Bodily Injury and Property Damage. The Liability Policy shall be endorsed to name the City of Brawley as an additional insured for the full amount of the policy limits. Such insurance shall contain a standard cross-indemnification endorsement. City approved aircraft construction, repair projects and other use by Tenants need only to provide Premises Liability Insurance as herein provided.
  - 3.1. All insurance policies required herein shall contain a provision that written notice of cancellation of changes in coverage limits shall be delivered to the City thirty (30) calendar days in advance. The Tenant shall provide the City with certification or proof of current insurance prior to use of the hangar by the Tenant. All notices certificates shall be sent to: City of Brawley City Clerk, 383 Main Street, Brawley, CA 92227.
  - 3.2. Hold Harmless The Tenant agrees to defend, indemnify and hold harmless the City of Brawley, its Officers and Employees from all claims for damage to persons and/or property resulting from any act or omission of Tenant, his agents or employees in the said use of said hangar.
- 4. Tenant Obligations:
  - 4.1. The Airport Manager, the City Fire Marshal and other Airport designees shall have the right to periodically enter and inspect the hangar to determine if the Tenant is in compliance with the provision of the Agreement. Under normal circumstances, Tenant will be provided a minimum of 24 hrs. notice before City personnel enter the hangar.
    - [ ] CHECK HERE IF 24 HOUR NOTICE IS WAIVED
  - 4.2. Tenant is required to utilize a lock provided by the City. The City will provide the Tenant with one (1) key and (1) padlock, to be placed on the hangar door for a deposit of \$50.00. If the padlock and key are not returned when this agreement is terminated, the Tenant will forfeit the deposit. If the padlock and key are returned deposit will be refunded.
  - 4.3. A portable fire extinguisher with a minimum rating of 2-A 10BC or larger shall be maintained within the hangar at all times, (UFC, Section 2401.13). Additional extinguishers may be required by the Fire Marshal. Extinguishers kept in aircraft are considered separate from hangar requirements.

- 5. Compliance with rules:
  - 5.1. The Tenant shall abide by all federal, state and local laws, rules and regulations, including City of Brawley Airport Rules and Regulations as they may be adopted or amended from time to time.
  - 5.2. Hangar Storage Permitted
    - 5.2.1. Parking or storage of aircraft. All aircraft must be operational and must have a current registration and insurance.
    - 5.2.2. Tenant may perform routine maintenance on its stored aircraft. As part of the routine maintenance, the Tenant may have on the premises the fluids, lubricants and accessories necessary to maintain the aircraft. All materials stored in the hangar for the purpose of maintenance shall be stored in an approved flammable cabinet with a self-locking door. It is not the intent of this section to allow excessive amounts of flammable materials, oil, brake fluid, hydraulic fluid, or fuel to be stored in the hangar.
  - 5.3. Hangar Storage Prohibited
    - 5.3.1. Aircraft repair, assembly, alterations and overhauls.
    - 5.3.2. Aircraft engine operation inside hangar.
    - 5.3.3.Hazardous activity, including, but not limiting to, welding, painting, doping, opening fuel lines or application of hazardous materials.

    - 5.3.6. Open flames or other sources of ignition, including but not limited to, smoking.
    - 5.3.7.Display of any exterior sign or advertising material.
    - 5.3.8.Discharge or cause discharge any material in to the Airport storm drain system or on any Airport surface.
    - 5.3.9.Impede parking, ingress or egress for aircraft, vehicles or pedestrians using the Airport or other hangars.
    - 5.3.10. Tenant shall not make or cause to be made any alterations or additions to the hangar without prior consent of the City. Any alterations or additions that may be consented to shall be made at the Tenants sole cost and expense, and may, at the option of the City, become the property of the City upon the termination of the Agreement. All alterations need to be returned to the original condition before vacating the hangar.

- 6. Removal of Personal Property: Upon termination of this Agreement, Tenant shall remove the aircraft and personal property and restore the hangar to the original condition, ordinary wear and tear excepted.
- 7. Taxes: Tenant is responsible for payment of all taxes arising from issuance of this Agreement, including but not limited to: Possessory interest taxes.
- 8. Attorney's Fees: In the event of legal action to enforce the provisions of this Agreement, the prevailing party shall be entitled to recover reasonable attorney's fees and costs of suit in such amount as may be fixed by the court.
- 9. Termination:
  - 9.1. The Tenant may terminate this Agreement at any time by giving a written notice of intent to terminate to the following address:

- 2. Tenancy, Rent and Revisions:
  - 2.1. The Tenant shall be entitled to take possession of the assigned hangar as of the date above. The occupancy date shall not be assigned until the prospective tenant has provided the required proof of insurance and this agreement is executed by the tenant and the City. The parties agree that this shall be a month-to-month tenancy and either party may terminate the tenancy by giving the other party a 30-day notice of intent to terminate the tenancy prescribed by Section 1946 of the California Civil Code.
  - 2.2. Rents as specified above, shall be payable in advance on the first day of each month.
  - 2.3. If any rent is in arrears to the City and is not received with 15 days after the first day of the month a late fee of fifteen dollars (\$15) will be added to the balance due and the total sum will become immediately due and payable to the City. An additional late fee of fifteen dollars (\$15) will be added for each additional month or portion thereof that said payment remains unpaid. The late fee shall be considered additional rent.
  - 2.4. City reserves the right to increase the monthly rent at any time by giving Tenant notice in writing of such increase at least 30 days prior to the effective date of such increase.

- 2.5. Failure to pay rent as required shall be considered a material default of this agreement and the City shall have the right to bring an unlawful detainer action to terminate the tenancy.
- 2.6. The Tenant shall not sublet or assign the Hangar to any other person or entity; nor shall any portion of the Hangar be used to house a vehicle other than the vehicle identified above. Any sublease of assignment shall be considered a non-curable breach of this agreement and the City shall have the right to commence an unlawful detainer action to terminate the tenancy.2.7.
- 3. Insurance: The Tenant agrees to maintain in full force and effect during the term of this Agreement and any extension thereof, a policy of Liability and Premises Liability Insurance with a minimum of one million (\$1,000,000) each occurrence for Bodily Injury and Property Damage. The Liability Policy shall be endorsed to name the City of Brawley as an additional insured for the full amount of the policy limits. Such insurance shall contain a standard cross-indemnification endorsement. City approved repair projects and other use by Tenants need only.
  - 3.1. All insurance policies required herein shall contain a provision that written notice of cancellation of changes in coverage limits shall be delivered to the City thirty (30) calendar days in advance. The Tenant shall provide the City with certification or proof of current insurance prior to use of the hangar by the Tenant. All notice certificates shall be sent to: City of Brawley Clerk, 383 Main Street, Brawley, CA 92227.
  - 3.2. Hold Harmless The Tenant agrees to defend, indemnify and hold harmless the City of Brawley, its Officers and Employees from all claims for damage to persons and/or property resulting from any act or omission of Tenant, his agents or employees in the said use of said hangar.
- 4. Tenant Obligations:
  - 4.1. The Airport Manager, the City Fire Marshal and other Airport designees shall have the right to periodically enter and inspect the hangar to determine if the Tenant is in compliance with the provision of the Agreement. Under normal circumstances, Tenant will be provided a minimum of 24 hrs. notice before City personnel enter the hangar.
    - [ ] CHECK HERE IF 24 HOUR NOTICE IS WAIVED
  - 4.2. Tenant is required to utilize a lock provided by the City. The City will provide the Tenant with one (1) key and (1) padlock, to be placed on the hangar door for a deposit of \$50.00. If the padlock and key are not returned when this agreement is terminated, the Tenant will forfeit the deposit. If the padlock and key are returned deposit will be refunded.
  - 4.3. A portable fire extinguisher with a minimum rating of 2-A 10BC or larger shall be maintained within the hangar at all times, (UFC, Section 2401.13). Additional extinguishers may be required by the Fire Marshal. Extinguishers kept in vehicles are considered separate from hangar requirements.

- 4.4. Tenant shall not have access to any other areas of the airport, other than the hangar and drive gate, without the permission of the airport manager.
- 5. Compliance with rules:
  - 5.1. The Tenant shall abide by all federal, state and local laws, rules and regulations, including City of Brawley Airport Rules and Regulations as they may be adopted or amended from time to time.
  - 5.2. Hangar Storage Permitted
    - 5.2.1. Parking or storage of motorhomes, campers, trailers, boats, motorcycles, UTV's and ATVs. All vehicles must be operational and must have a current registration and current insurance.
    - 5.2.2. Tenant may perform routine maintenance on its stored vehicles. As part of the routine maintenance, the Tenant may have on the premises the fluids, lubricants and accessories necessary to maintain the vehicle. All materials stored in the hangar for the purpose of maintenance shall be stored in an approved flammable cabinet with a self-locking door. It is not the intent of this section to allow excessive amounts of flammable materials, oil, brake fluid, hydraulic fluid, or fuel(s) to be stored in the hangar.
  - 5.3. Hangar Storage Prohibited
    - 5.3.1. Vehicle repair, assembly, alterations and overhauls.
    - 5.3.2. Vehicle engine operation inside hangar.
    - 5.3.3.Hazardous activity, including, but not limiting to, welding, painting, doping, opening fuel lines or application of hazardous materials.
    - 5.3.4. Vehicle washing in or around the hangar.
    - 5.3.5.Human occupancy, including, but not limited to, sleeping in the hangar, conducting business or large gatherings.
    - 5.3.6. Open flames or other sources of ignition, including but not limited to, smoking.
    - 5.3.7.Display of any exterior sign or advertising material.
    - 5.3.8.Discharge or cause discharge any material in to the Airport storm drain system or on any Airport surface.
    - 5.3.9.Impede parking, ingress or egress for aircraft, vehicles or pedestrians using the Airport or other hangars.

- 5.3.10. Tenant shall not make or cause to be made any alterations or additions to the hangar without prior consent of the City. Any alterations or additions that may be consented to shall be made at the Tenants sole cost and expense, and may, at the option of the City, become the property of the City upon the termination of the Agreement. All alterations need to be returned to the original condition before vacating the hangar.
- 6. Removal of Personal Property: Upon termination of this Agreement, Tenant shall remove the stored vehicles and personal property and restore the hangar to the original condition, ordinary wear and tear excepted.
- 7. Taxes: Tenant is responsible for payment of all taxes arising from issuance of this Agreement, including but not limited to: Possessory interest taxes.
- 8. Attorney's Fees: In the event of legal action to enforce the provisions of this Agreement, the prevailing party shall be entitled to recover reasonable attorneys' fees and costs of suit in such amount as may be fixed by the court.
- 9. Termination:
  - 9.1. The Tenant may terminate this Agreement at any time by giving a written notice of intent to terminate to the following address:

City of Brawley, Attn: City Clerk 383 Main Street Brawley, CA 92227

The notice shall specify the date that the Tenant intends to turnover possession, said date shall not be less than thirty (30) days after the date of the notice.

- 9.2. The City may terminate this agreement without cause by providing the Tenant 30 days' notice of its intent to terminate.
- 9.3. 30-day notice provided by the Tenant shall be delivered by First Class Mail, postage prepaid. And shall be deemed effective as of the day they are deposited with the Post Office. A 30-day notice provided by the City shall be posted in a conspicuous place at the entrance of the hanger and mailed to the tenant by First Class Mail, postage prepaid to the address provided by the Tenant above.

## **City of Brawley**

City Council December 03, 2024 Agenda Item No 5f

# **STAFF REPORT**

To:City CouncilFrom:Romualdo Medina, Public Works DirectorPrepared by:Ana Gutierrez, Public Works AnalystSubject:Backflow Preventer Replacement Project

#### **RECOMMENDATION:**

Award the purchase and installation of 12 backflow preventers in various locations throughout the City and approve the recommended budget adjustments.

#### **BACKGROUND INFORMATION:**

The city has 12 backflow control devices that protect the City's water distribution system from crossconnection contamination. Most of these devices have major operational problems, such as improper installations, obsolete parts that are no longer available, and some that have failed and are nonfunctional. These assemblies have a solid potential to cause cross-connection contamination within the city's water distribution system, which may adversely affect the quality of life in the areas in and around the device assemblies. The city's Cross Connection Control Program requires assemblies and is mandated by state law.

The Environmental Compliance Division discovered these units during a state-required Cross Connection Control Survey, a yearly requirement by the State Water Quality Control Board, Water Division. The devices are located throughout the City at sewer lift stations, bus terminals, water treatment facilities, and various parks.

On October 2, 2024, the Engineering Department advertised the Backflow Preventer Replacement Project Specification No. 2024-05. On November 5, 2024, the city received two bids as follows:

Radco Inc. Brawley, CA

\$167,085.46

Lidco Inc. Brawley, CA

\$198,789.00

City staff reviewed the bids and recommends that the contract be awarded to Radco Inc. for \$167,085.46, with a 15% contingency of \$25,062.82, for a total of \$192,148.28 and authorize the City Manager to execute all documentation concerning this project.

The local bidding preference factor is not shown, as both bids were local.

#### FISCAL IMPACT:

Partial funding will come from the American Rescue Plan Act (ARPA), in the amount of \$13-,436 and from the Water Treatment Plant, in the amount of \$57,278.83.

A budget adjustment for \$ 57,712.28 is needed under the following account:

501-321.000-800.300- Improvements other than buildings - Expense - \$ 57,712.28

## **City of Brawley**

City Council December 03, 2024 Agenda Item No 5g

# **STAFF REPORT**

То:	City Council
From:	Cynthia Mancha, Consultant City Planner
Prepared by:	Cynthia Mancha, Consultant City Planner
Subject:	Ordinance to Amend the Brawley Municipal Code for a Specific Property

#### **RECOMMENDATION:**

Approve the Ordinance for Zone Change (ZC) 24-01

#### **BACKGROUND INFORMATION:**

On August 21, 2024, the Planning Commission recommended for approval Zone Change # 24-01 to convert a 3.98-acre site from C-2 (Medium Commercial) to C-3 (Heavy Commercial). The property is located within City limits, south of Main Street, on the western corner abutting Las Flores Drive, identified as Lot 1 in the Adjustment Plat 24-02 recorded with the Imperial County Recorder's Office. The applicant is seeking to install a luxury, enclosed RV and boat storage and mini-storage facility. Mini-Storage Facilities are not permitted, by right, in the C-2 zone, but are permitted via a Conditional Use Permit (CUP) in the C-3 zone. The Planning Commission reviewed the findings of the petition for Zone Change # 24-01 and determined the zone change was consistent with the City's General Plan, Zoning Ordinance, exiting land uses with the project vicinity, and that approving the project would not be detrimental to the environment. The Planning Commission conditionally approved ZC # 24-01, CUP# 24-01, and project Negative Declaration.

#### **FISCAL IMPACT:**

None. The applicant will be responsible for all filing fees, development impact fees, and any required off-site improvements associated with the project.

#### **ALTERNATIVES:**

None at this time.

#### ENVIRONMENTAL REVIEW COMMITTEE DETERMINATION

The proposed project could not have a significant effect on the environment, and a <b>NEGATIVE DECLARATION</b> will be prepared.						
The proposed project could have a significant effect on the environment; however, there will not be a significant effect in this case because <b>the mitigation measures</b> described on an attached sheet have been added to the project. <b>A MITIGATED NEGATIVE DECLARATION</b> will be prepared.						
The proposed project MAY have a significant effect(s <b>ENVIRONMENTAL IMPACT REPORT</b> is required.	) on the	e envir	onment	and an		
The proposed project MAY have a significant effect(s) on the environment, but at least one effect (1) has been adequately analyzed in an earlier document pursuant to applicable legal standards, and (2) has been addressed by mitigation measures based on the earlier analysis as described on attached sheets, if the effect is a "Potentially Significant Impact" or "Potentially Significant Unless Mitigated." A <b>FOCUSED ENVIRONMENTAL IMPACT REPORT</b> is required, but it must analyze only the effects that remain to be addressed.						
Although the proposed project could have a significant effect on the environment, there WILL NOT be a significant effect in this case because all potentially significant effects (1) have been analyzed in an earlier EIR pursuant to applicable standards and (2) have been avoided or mitigated pursuant to that earlier EIR, including revisions or mitigation measures that are imposed upon the proposed project. <b>No further action is required.</b>

#### **EVALUATION OF ENVIRONMENTAL IMPACTS:**

1) A brief explanation is required for all answers except "No impact" answers that are adequately supported by the information sources a lead agency cites in the theses following each question. A "No Impact" answer is adequately supported if the referenced information sources show that the impact simply does not apply to projects like the one involved (e.g. the project falls outside a fault rupture zone). A "No Impact" answer should be explained where it is based on project-specific factors as well as general standards (e.g. the project will not expose sensitive receptors to pollutants, based on a project-specific screening analysis).

rage 8 of 25

- 2) All answers must take account of the whole action involved, including off-site as well as onsite, cumulative as well as project-level, indirect as well as direct, and construction as well as operational impacts.
- 3) Once the lead agency has determined that a particular physical impact may occur then the checklist answers must indicate whether the impact is potentially significant, less than significant with mitigation, or less than significant. "Potentially Significant Impact' is appropriate if there is substantial evidence that an effect is significant. If there are one or more "Potentially Significant Impact" entries when the determination is made, an EIR is required.
- 4) "Negative Declaration: Less Than Significant With Mitigation Incorporated" applies where the incorporation of mitigation measures has reduced an effect from "Potentially Significant Impact" to a "Less than Significant Impact." The lead agency must describe the mitigation measures, and briefly explain how they reduce the effect to a less than significant level (mitigation measures from Section 17, "Earlier Analysis," may be cross-referenced).
- 5) Earlier analysis may be used where, pursuant to the tiering, program EIR, or other CEQA process, an effect has been adequately analyzed in an earlier EIR or negative declaration. Section 15063(c)(3)(D). In this case, a brief discussion should identify the following:
  - a. Earlier Analysis Used. Identify and state where they are available for review.
  - b. Impacts Adequately Addressed. Identify which effects from the above checklist were within the scope of and adequately analyzed in an earlier document pursuant to applicable legal standards, and state whether such effects were addressed by mitigation measures based on the earlier analysis.
  - c. Mitigation Measures. For effects that are "Less than Significant with Mitigation Measures Incorporated," describe the mitigation measures, which were incorporated or refined from the earlier document and the extent to which they address site-specific conditions for the project.

Authority: Public Resources Code Sections 21083 and 21087. Reference: Public Resources Code Sections 21080(c), 21080.1, 21080.3, 21082.1, 21083, 21083.3, 21093, 21094, 21151; Sundstrom v. County of Mendocino, 202 Cal. App. 3d 296 (1988); Leonoff v. Monterey Board of Supervisors, 222 Cal. App. 3d 1337 (1990).

6) Lead agencies are encouraged to incorporate into the checklist references to information sources for potential impacts (e.g. general plans, zoning ordinances). Reference to a previously prepared or outside document should, where appropriate, include a reference to the page or pages where the statement is substantiated.

#### I. AESTHETICS IMPACT DISCUSSION

The proposed installation of the mini-storage facility will not obstruct scenic views. The proposed structures conform with the City zoning ordinance height limits and will not limit public views. The facility will add visual appeal to the undeveloped site. Lighting features will conform to City zoning standards. Fixtures and lumens will be installed in conformance with California low lighting zone LZ2 requirements to minimize visual impacts.

<ul> <li>e) Involve other changes in the existing environment which, due to their location or nature, could result in conversion of Farmland, to non-agricultural use or conversion of forest land to non-forest use?</li> </ul>			

#### II. Agriculture and Forestry Resources Discussion

The parcel is undeveloped and located within City limits. The zone change will not be converting existing parcels designated or zoned for agriculture use to commercial uses.

<b>III. AIR QUALITY.</b> Where available, the significance criteria established by the applicable air quality management or air pollution control district may be relied upon to make the following determinations. Would the Project:	Potentially Significant Impact (PSI)	Potentially Significant Unless Mitigation Incorporated (PSUMI)	Less Than Significant Impact <b>(LTSI)</b>	No Impact <b>(NI)</b>
a) Conflict with or obstruct implementation of the applicable air quality plan?				$\boxtimes$
b) Violate any air quality standard or contribute substantially to an existing or projected air quality violation?				$\boxtimes$
c) Result in a cumulatively considerable net increase of any criteria pollutant for which the project region is non-attainment under an applicable federal or state ambient air quality standard (including releasing emissions which exceed quantitative thresholds for ozone precursors)?			$\boxtimes$	
d) Expose sensitive receptors to substantial pollutant concentrations?			$\boxtimes$	
e) Create objectionable odors affecting a substantial number of people?			$\boxtimes$	

#### III. AIR QUALITY DISCUSSION

The mini-storage facility will not add additional vehicle miles traveled. The site is located within the existing path of travel of an arterial transportation corridor; and will not generate or emit hazardous gases. The activities are not anticipated to generate significant fumes exceeding air quality thresholds. The applicant will be required to submit a traffic analysis to assess local mobility as part of their Building Permit/Off-Site improvement plan submittal.

IV. BIOLOGICAL RESOURCES. Would the Project:	Potentially Significant Impact (PSI)	Potent Mitigation Incorporated (PSUMI)	Significan	N Impact (NI)	
a) Have a substantial adverse effect, either directly or through habitat modifications, on any species identified as a candidate, sensitive, or special status species in local or regional plans, policies or regulations, or by the California Department of Fish and Game or U.S. Fish and Wildlife Service?					
b) Have a substantial adverse effect on any riparian habitat or other sensitive natural community identified in local or regional plans, policies, regulations, or by the California Department of Fish and Game or U.S. Fish and Wildlife Service?					
c) Have a substantial adverse effect on federally protected wetlands as defined by Section 404 of the Clean Water Act (including, but not limited to, marsh, vernal pool, coastal, etc.) through direct removal, filling, hydrological interruption, or other means?				$\boxtimes$	
d) Interfere substantially with the movement of any native resident or migratory fish or wildlife species or with established native resident or migratory wildlife corridors, or impede the use of native wildlife nursery sites?					
e) Conflict with any local policies or ordinances protecting biological resources, such as a tree preservation policy or ordinance?				$\boxtimes$	
<ul> <li>f) Conflict with the provisions of an adopted Habitat Conservation Plan, Natural Community Conservation Plan, or other approved local, regional, or state habitat conservation plan?</li> </ul>					

## **IV. BIOLOGICAL RESOURCES DISCUSSION:**

The site is an existing, undeveloped parcel within City limits. Best management practices will be implemented during the construction phase. A burrowing owl survey will be conducted prior to the issuance of a grading permit. Should biological resources be found, construction will be paused until it is determined that construction activities will not encroach on or disturb protected species. The City's General Plan Environmental Impact Report does not identify significant biological resources, and the site is not located within a Natural Community Conservation Plan or within a waterway system.

V. CULTURAL RESOURCES. Would the Project:	Potentially Significant Impact ( <b>PSI)</b>	Potentially Significant Unless Mitigation Incorporated (PSUMI)	Less Than Significant Impact <b>(LTSI)</b>	No Impact <b>(NI)</b>
a) Cause a substantial adverse change in the significance of a historical resource as defined in			$\boxtimes$

§15064.5?			
<ul> <li>b) Cause a substantial adverse change in the significance of an archaeological resource pursuant to §15064.5?</li> </ul>			
c) Directly or indirectly destroy a unique paleontological resource or site or unique geologic feature?			
d) Disturb any human remains, including those interred outside of formal cemeteries?			

#### V. CULTURAL RESOURCES DISCUSSION

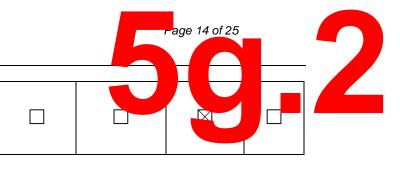

The site is an existing, undeveloped parcel within City limits with existing residential and commercial uses to the north, east, and west of the property. Best management practices will be implemented during the construction phase. Construction will be paused if cultural artifacts are found. The cultural artifacts will be flagged but will remain undisturbed. Construction will not resume until it is determined that cultural resources will not be impacted. Upon cursory review of the National Register of Historic Places, the project site is not listed as containing historical buildings. The State of California Native American Heritage Commission website did not list any cultural or natural resources. Notice was mailed to tribes within the project site vicinity. No response was received. The City General Plan Environmental Impact Report does not identify the site as culturally significant; however, a qualified paleontologist is to conduct a record search prior to ground disturbing construction activities such as the issuance of a grading permit. A development condition of approval includes that the applicant is to submit a cultural resource survey to the City no later than 30 days prior to the issuance of a grading permit and should the survey require a site specific survey it shall be submitted to the City prior to the issuance of a grading permit.

e) Have soils incapable of adequately supporting the use of septic tanks or alternative wastewater disposal systems where sewers are not available for the disposal of wastewater?			$\boxtimes$		

**VI. GEOLOGY AND SOILS DISCUSSION**: A geotechnical report will be provided by the applicant as part of the building and improvement plan submittal. Report data will provide the appropriate design guidelines to ensure health and safety and reduce the risk of structure failure.

VII. GREENHOUSE GAS EMISSIONS. Would the Project:	Potentially Significant Impact (PSI)	Potentially Significant Unless Mitigation Incorporated (PSUMI)	Less Than Significant Impact <b>(LTSI)</b>	No Impact <b>(NI)</b>
a) Generate greenhouse gas emissions, either directly or indirectly, that may have a significant impact on the environment?			$\boxtimes$	

b) Conflict with an applicable plan, policy or regulation adopted for the purpose of reducing the emissions of greenhouse gases?

#### Background:

#### VII. GREENHOUSE GAS EMISSIONS DISCUSSION

The installation of the mini-storage facility will not increase vehicle mile trips. The facility is located along an arterial transportation corridor.

,	Emit hazardous emissions or handle hazardous or acutely hazardous materials, substances, or waste within one-quarter mile of an existing or proposed school?				
d)	Be located on a site, which is included on a list of hazardous materials sites compiled pursuant to Government Code Section 65962.5 and, as a result, would it create a significant hazard to the public or the environment?				
e)	For a project located within an airport land use plan or, where such a plan has not been adopted, within two miles of a public airport or public use airport, would the project result in a safety hazard for people residing or working in the project area?				
f)	For a project within the vicinity of a private airstrip, would the project result in a safety hazard for people residing or working in the project area?				
g)	Impair implementation of or physically interfere with an adopted emergency response plan or emergency evacuation plan?				
h)	Expose people or structures to a significant risk of loss, injury or death involving wildland fires, including where wildlands are adjacent to urbanized areas or where residences are intermixed with wildlands?				

rage 15 of 25

#### Background:

The project will be required to abide by the City of Brawley Wastewater Discharge limits and will be required to receive a Wastewater Discharge Permit and any required California Water Boards permits. A grease and sediment interceptor or City approved technology will be required for the RV/Boat wash bay.

residing or working in the project area to excessive noise levels?

#### Background:

#### XII. NOISE DICUSSION

The project is located adjacent to an arterial transportation corridor. The noise will not exceed existing travel noise generated. Residential is not proposed within 50 feet of a road. Should residential uses be proposed at a future date a noise study will be required prior to the issuance of a building permit.

	II. POPULATION AND HOUSING. fould the Project:	Potentially Significant Impact (PSI)	Potentially Significant Unless Mitigation Incorporated (PSUMI)	Less Than Significant Impact <b>(LTSI)</b>	No Impact <b>(NI)</b>
a)	Induce substantial population growth in an area, either directly (for example, by proposing new homes and business) or indirectly (for example, through extension of roads or other infrastructure)?

b) Require or result in the construction of new water or wastewater treatment facilities or expansion of existing facilities, the construction of which could cause significant environmental effects?				$\boxtimes$	
c) Require or result in the construction of new storm water drainage facilities or expansion of existing facilities, the construction of which could cause significant environmental effects?					
d) Have sufficient water supplies available to serve the project from existing entitlements and resources, or are new or expanded entitlements needed?				$\boxtimes$	
e) Result in a determination by the wastewater treatment provider, which serves or may serve the project that it has adequate capacity to serve the project's projected demand in addition to the provider's existing commitments?		$\boxtimes$			
f) Be served by a landfill with sufficient permitted capacity to accommodate the project's solid waste disposal needs?				$\boxtimes$	
g) Comply with federal, state, and local statutes and regulations related to solid waste?					

#### XVII. UTILITIES AND SERVICE SYSTEMS DISCUSSION

Commercial water and wastewater rates will apply to the project. The City Environmental Compliance Department will monitor the effluence from the facility to ensure compliance with allowed daily effluence limits. The applicant has been provided information to consult with the Imperial Irrigation District for electrical service.

# **SECTION 3 - III. MANDATORY FINDINGS OF SIGN**

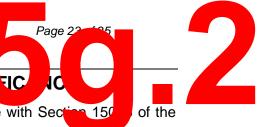

The following are Mandatory Findings of Significance in accordance with Section 150 CEQA Guidelines.

XVIII. MANDATORY FINDINGS OF SIGNIFICANCE Would the Project:	Potentially Significant Impact <b>(PSI)</b>	Potentially Significant Unless Mitigation Incorporated <b>(PSUMI)</b>	Less Than Significant Impact <b>(LTSI)</b>	No Impact <b>(NI)</b>
a) ) Does the project have the potential to degrade the quality of the environment, substantially reduce the habitat of a fish or wildlife species, cause a fish or wildlife population to drop below self-sustaining levels, threaten to eliminate a plant or animal community, reduce the number or restrict the range of a rare or endangered plant or animal or eliminate important examples of the major periods of California history or prehistory?				
b) Does the project have impacts that are individually limited, but cumulatively considerable? ("Cumulatively considerable" means that the incremental effects of a project are considerable when viewed in connection with the effects of past projects, the effects of other current projects, and the effects of probable future projects)?				
c) Does the project have environmental effects which will cause substantial adverse effects on human beings, either directly or indirectly?

# **STAFF REPORT**

To:City CouncilFrom:Cynthia Mancha, Consultant City PlannerPrepared by:Cynthia Mancha, Consultant City PlannerSubject:Certificate of Acceptance for a right-of-way / Latigo Ranch Unit 1

#### **RECOMMENDATION:**

Approve the Certificate of Acceptance for a right-of-way associated with Latigo Ranch Unit 1

#### **BACKGROUND INFORMATION:**

The Latigo Ranch Unit 1 Tract Map included a proposed park as part of the approved and recorded map identified in Final Map 24-8. The Latigo Ranch project developer installed a pocket park; however, the pocket park did not include an ADA compliant public right-of-way for ingress/egress. The Latigo Ranch developer secured real property to dedicate to the city via a right-of-way deed for the purpose of installing an ADA compliant public access to the pocket park.

The City of Brawley Acting City Surveyor, Mauricio Lam, P.E., P.L.S, received, reviewed, and approved for recordation the right-of-way legal description identified in Exhibit "A" and plat identified in Exhibit "B" associated with the real property for the pocket park ingress/egress to be dedicated to the City.

The City of Brawley Public Works Department received and reviewed improvement plans associated with the ADA compliant access ramp. The City of Brawley Building Department inspected the installed ADA compliant access ramp at the aforementioned legal description and plat and provided notice of a satisfactory inspection.

The dedicated ADA compliant access ramp will need to be included in the City's Public Works Operation and Maintenance schedule. Maintenance will include inspection and crack sealing, as needed, to ensure the life of the installed concrete.

# FISCAL IMPACT:

None anticipated at this time. Staff time and materials will need to be included in a future capital improvement budget year, as determined by Public Works inspection, and operations and maintenance schedules.
